

January 4, 2022

Dear Brady Parents,

Please read these important updates from Brady Middle School:

School Resumes on Wednesday, January 5

I hope that you and your family are having a healthy and safe winter break. As a reminder, school resumes in-person for students on Wednesday, January 5. If you need to report a positive COVID case or close contact, please call your child's healthcare provider or Cuyahoga County Board of Health at 216-201-2000 for guidance on your isolation or quarantine period.

In-Person Learning | Masking & Mitigation | Isolation Guidance

To view Dr. Campbell's recent communication regarding in-person learning, masking and mitigation and isolation guidance, please click [here](#). As a reminder, included below are resources to support students during an extended absence from school:

- Each teacher has maximized their Google Classroom page to include links to resources, videos and assignments. Students should access the Google Classroom page for each of their courses on a daily basis.
- Each teacher has access to email and voicemail. This [staff directory](#) provides contact information so that students can contact teachers directly via email or by phone to ask questions and/or receive help. Teachers have time set aside on a daily basis to work with students.
- Each teacher submits information regarding student work (homework, classwork, project work, test/quiz grades) in their course on a regular basis via [ProgressBook](#). Students should monitor their progress in each course and reach out to their teachers if they see missing assignments and/or to make arrangements to complete makeup work upon their return to school.

If students are having difficulty keeping up with the workload during an extended absence from school, they should contact their Pride leader for assistance.

The priority is your child's health. If illness prevents your child from completing work during their absence from school, please contact Mrs. Jill Cannata, School Nurse, by phone (216-831-8600 ext. 3622) or email (jcannata@orangecsd.org), to discuss options.

Student O-Link Weekly Update

Each week, the BMS and OHS Technology and Library Departments will be sharing tips, tricks, and tools for all things literacy and technology! This will be posted on the Student Homepage on their school-issued Chromebooks, as well as shared [here](#) with you!

The Brady Yearbook

The Brady Yearbook is filled with photographic memories. Purchases must be pre-ordered at ybpay.lifetouch.com using the Brady Yearbook ID code 12894722. This 72-page hardbound publication is \$25. Order yours today!
