

June 7, 2021

Dear MHS Families,

As we close out this school year, I would like to send a few reminders and updates your way for a smooth transition to the 2021-22 school year.

- Students will be keeping their chromebooks over the summer. If you are withdrawing your child over summer, please contact our technology department by emailing tnemeckay@orangecsd.org to return your chromebook.
- Report Cards will be available on ProgressBook on Friday, June 11. They will be available there until July 2nd at 3pm.
- The MHS 2020-21 Yearbook will be delivered in the fall.
- Each student will keep their Chromebook and charger with them over the summer. Please keep them safe. Students will continue to bring their charged Chromebooks to school each day when the new school year begins. If you have a technology repair need, the link to put in a service request is here: <https://www.orangeschools.org/COVID-19-TECH.aspx>. If you have any educational technology questions this summer, feel free to email Eddie Evans at eevans@orangecsd.org.
- Math: Encourage students to keep thinking like mathematicians all summer by engaging in mathematical thinking and challenges using these Orange City Schools Summer Math calendars! Links have been sent to your child's Orange email.
