

## MHS Parent Updates 4/19/21

### Parent Updates

-With the extreme weather changes we experience here in Northeast Ohio, it's best to have your child dress in layers. They might need that toasty jacket in the morning, but by afternoon recess, it's way too warm.

-Lost and Found is growing! Please remind your child to check the Lost and Found for missing items. This area is located in the main hallway by the kindergarten wing.

-Please know that many classes have reached in-person capacity and are now closed; therefore, we are not able to fill requests for particular classes. We are respectfully requesting that if you are considering a change, please do so prior to April 30th. After April 30th, changes will only be considered on a case by case basis.

-Yearbook cover entries are due on Wednesday, April 21st. Please be mindful to follow the directions listed.

-Our final edition of the Moreland Messenger will be out on May 1st where you will find a lot of information including our end of the year activities.
