To Make a Difference.*

March 19, 2021

**NEW Orange Schools Campus Traffic Patterns During Pickup and Drop Off  
For Moreland Hills School and Brady Middle School Only**

Attention Orange Parents and Guardians:

Now that the majority of our students are learning all-day, in-person, we had to make changes to our bus and parent traffic patterns for pickup and drop off each day starting after spring break. These changes will make things run safer and more efficiently.

**Beginning March 29, 2021:**

- The school buses will now enter campus using the access road off of Hiram Trail and exit campus onto Chagrin Blvd.
- **Moreland Hills School and Brady Middle School** parent traffic will now enter and exit campus off of Chagrin Blvd. using Gail Allison Drive

Please be aware no parent vehicle traffic will be allowed to enter or leave campus via the Hiram Trail access road.
